

Hello USBGA and IBGA golfers,

3-12-2013

We have another tourney set in place for your attendance. The 3rd annual Kentucky Bluegrass Regional in Lexington, Kentucky. The dates will be Saturday, September 21 for practice rounds, with competition days on Sunday and Monday afternoons, with departures on Tuesday, September 24.

Also, for your information the children's clinic will be held the Tuesday prior to the tournament on September 17th.

It is a beautiful time of year in the bluegrass state with great southern hospitality and the course is blind friendly with wonderful staff and support for all blind and visually impaired players. As in the past, we'll have some wonderful home cooking with a social gathering at the neighborhood clubhouse and awards night at the comedy club with some special humor by a local emcee and your hosts, Paul Wiese and Ty Thompson, topped only by the great southern meal and dessert choices.

Registration forms and details will go out in a couple months, but if you are planning to join the event, we'd welcome a quick note to spatterman@insightbb.com to help us in planning.

As always, any IBGA member is welcome to participate and we love to have the chance to show off our hospitality, so please attend!

Best to all as the weather starts to warm and you get your golf swing ready,
Ty and Paul
