Mr. David Meador, President

Dear David:

On behalf of the United States Golf Association, I want to express our appreciation for the mission and activities of the United States Blind Golf Association.

Since its founding in 1953, the USBGA has worked consistently and effectively to create opportunities for blind and vision-impaired golfers across America. The USGA is proud to have supported the USBGA over the years to implement this fundamental philosophy of inclusion.

We applaud your efforts to bring the World Blind Golf Championships to the United States in 2014, which would continue to highlight your commitment to bringing the game of golf to the blind and vision impaired around the world.

Please accept our sincere best wishes for continued success in all your programs.

Best wishes,

Rand Jerris, PhD
Senior Managing Director, Public Services
