

Golf and Vision Impaired Jokes

Four old gents were discussing the results of their golf games.

The first guy said, "I had three riders today."

The second bent over guy said, "I had the most riders ever. I had five."

The third old man said, "I did about the same. I had seven riders, the same as last time."

The last one said, "I beat my old record. I had 12 riders today. Aren't you fellers proud of me"?

After they went into the men's locker room, a lady club member that had heard the old gents talking about their game went to the pro and said, "I have been playing golf here for a lot of years and thought I knew all the terminology of the game, but what in the world is a rider"?

The pro said, "A rider is when you hit the ball far enough to get in the golf cart and ride to it."

My boss phoned me today. He said, "Is everything okay at the office?"

I said, "Yes, it's all under control. It's been a very busy day, I haven't stopped."

"Can you do me a favor?" he asked.

I said, "Of course, what is it?"

Speed it up a little, I'm in the foursome behind you.

A true story for sharing:

WALKING THE DOG

Reportedly, a woman was flying from Seattle to San Francisco. Unexpectedly, the plane was diverted to Sacramento along the way.

The flight attendant explained that there would be a delay, and if the passengers wanted to get off the aircraft the plane would re-board in 50 minutes.

Everybody got off the plane except one lady who was blind.

A man had noticed her as he walked by and could tell the lady was blind because her guide dog lay quietly underneath the seats in front of her throughout the entire flight.

He could also tell she had flown this very flight before because the pilot approached her, and calling her by name, said, *"Kathy, we are in Sacramento for almost an hour. Would you like to get off and stretch your legs?"*

The blind lady said, *"No thanks, but maybe Buddy would like to stretch his legs."*

Picture this:

The people in the gate area came to a complete stand still when they looked up and saw the pilot walk off the plane with a guide dog for the blind! Even worse, the pilot was wearing sunglasses!

People scattered. They not only tried to change planes, but they were trying to change airlines!

True story.....

Have a great day and remember.....

THINGS AREN'T ALWAYS AS THEY APPEAR.

A DAY WITHOUT LAUGHTER IS A DAY WASTED.
